

Falmouth Football Boosters **Coaches Code of Conduct**

Falmouth Football Boosters now supports a wide range of sports, spanning boys and girls from K through 12. As an organization, our goal is to promote a cohesive “Family of Falmouth Football”, understanding that like any family we must be supportive of each segment of our program. As a volunteer coach within this Booster group, I understand that I am a role model not just for my players but for other players and other coaches within the various programs. I must conduct myself in a manner that is always in the best interest of the entire Falmouth Football and Cheering programs.

At all times I commit to the following:

1. I will treat each player, coach, official, parent, and administrator with respect and dignity.
2. I will treat everyone associated with the Falmouth football and cheering programs with respect and dignity.
3. I will do my best to learn the fundamental skills, teach and evaluate techniques and strategies for my sport.
4. I will become familiar with the rules of my sport.
5. I will become familiar with the objectives of the Youth Sports Program with which I am affiliated, and I will strive to achieve these objectives and explain them to my players and parents.
6. I will uphold the authority of officials who are assigned to the contests I coach, and I will assist the officials in every way to keep contests fair and impartial.
7. I will learn the strengths and weaknesses of my players to help them develop and achieve maximum success during their time with me.
8. I will conduct all my activities with my players so they have an equal opportunity to learn through active participation.
9. I will communicate clearly to my parents and players the rights and responsibilities of each person involved.
10. I will cooperate with the administrator of this program in the enforcement of rules and regulations and report anything that violates those regulations.
11. I will protect the health and safety of my players by assessing the individual player’s skills and placing the player in a position(s) where he/she is safe and doesn’t jeopardize the safety of any other player.
